**PUBLIC NOTICE OF FILING  
OF OPTEL (ARIZONA)  
TELECOM, INC.  
TO DISCONTINUE LOCAL  
EXCHANGE SERVICE  
AREA**

On January 22, 2001, Optel (Arizona) Telecom, Inc. ("Company") filed an application and petition with the Arizona Corporation Commission ("Commission") to discontinue Company's local exchange service to affected customers within its certificated area as granted in Decision NO. 80780. As required by A.A.C. R14-2-1107, the Application explains that Company has determined that it is no longer economically feasible to continue providing residential telephone services to the multi-family residential properties it serves in the greater Phoenix area. Additionally, the Company verifies in the Application that all affected customers have been notified of the proposed discontinuance and that all affected customers will have access to an alternative local exchange provider, namely Qwest Corporation. Any deposits collected by the Company will be applied at first to the Company's Arizona tariff and any refunds due will be sent approximately thirty (30) days after service has been discontinued. The Company's application is available for inspection during regular business hours at the offices of the Arizona Corporation Commission in Phoenix, Arizona at 1200 West Washington Street and at Optel (Arizona) Telecom, Inc., 111 W. Mockingbird Lane, Dallas, Texas 75247 (214) 634-3846.

Pursuant to A.A.C. R14-2-1107(B), interested persons shall have thirty (30) days from the publication of this notice to file objections to the Application, to request a hearing, and to submit a motion to intervene in the proceeding. Intervention shall be permitted to any person entitled by law to intervene and having a direct and substantial interest in this matter. Persons desiring to intervene must file a written motion to intervene with the Commission, which motion should be sent to the Company or its counsel and to all parties of record, and which, at the minimum, shall contain the following:

1. The name, address, and telephone number of the proposed intervenor and of any party upon whom service of documents is to be made if different than the intervenor.
2. A short statement of the proposed intervenor's interest in the proceeding (e.g., a customer of the Company, a shareholder of the Company, a competitor, etc.).
3. A statement certifying that a copy of the motion to intervene has been mailed to the Company or its counsel and to all parties of record in the case.

The granting of motions to intervene shall be governed by A.A.C. R14-2-105. The granting of intervention, among other things, entitles a party to present sworn evidence at hearing and to cross-examine other witnesses. If no objection to the Application is made, the Commission may grant the Application without a hearing.

If you have any questions concerning this application, or want information on intervention, you should contact Optel (Arizona) Telecom, Inc. at the address and telephone number listed above or the Consumer Services Section of the Commission by calling 1-800-222-7000.
